NOW, THEREFORE, in consideration of the foregoing, and subject to the conditions contained herein, the parties hereto intending to be legally bound hereby, do covenant and agree for themselves, their respective successors and assignees as follows:

**ARTICLE I
AMOUNT OF THE CONTRACT**

Subject to the terms of this Contract, the Grantor hereby makes available to the Grantee out of funds appropriated a grant in the sum of **FIFTY THOUSAND DOLLARS AND NO CENTS (\$50,000.00)** ----- or such portion thereof as may be required by the Grantee and authorized by

the Grantor, subject to the condition that it shall be used by the Grantee to carry out the activities described in the application submitted by the Grantee and as approved by the Grantor, and which is incorporated herein by reference. In addition, this Contract shall be subject to Appendix A, Project Description and Special Conditions, and Appendix B, Budget Summary, which are attached hereto and incorporated herein.

ARTICLE II EFFECTIVE DATES

The term of this Contract shall commence on the Effective Date (as defined below) and shall end on **JUNE 30, 2027**, subject to the other provisions of this Contract.

The Effective Date shall be the date the fully executed Contract is sent to the Grantee. A fully executed contract is one that has been signed by the Grantee and by the Grantor and contains all approvals required by Commonwealth contracting procedures.

This Contract is not binding in any way, nor will the Commonwealth be bound, until this document has been fully executed and sent to the Grantee. Any cost incurred by the Grantee prior thereto are incurred at the Grantee's risk.

ARTICLE III PAYMENT PROVISIONS AND FISCAL RESPONSIBILITIES

(a) The Grantor agrees to pay the Grantee for eligible project costs incurred under this Contract between **JULY 1, 2024** and **JUNE 30, 2027** (the "Contract Activity Period") as follows:

- (1) Subject to the availability of state funds and other terms and conditions of this Contract, the Grantor will reimburse the Grantee based upon the Grantor's determination of the Grantee's needs and in accordance with the proposed budget as set forth in Appendix B.

The Grantor may pay the Grantee for eligible project costs at intervals to be determined by the Grantor. Under no circumstances shall the Commonwealth or the Grantor be liable for any expenditure exceeding the amount stated in this Contract or amendments hereto.

The Grantor shall have the right to disapprove any expenditure made by the Grantee which is not in accordance with the terms of this Contract and the Grantor may adjust payment to the Grantee accordingly.

- (2) Initial payments to the Grantee to perform the activities under this Contract and all other payments shall be made on invoice forms and in accordance with instructions provided by the Grantor.

- (3) To receive reimbursement under this Contract, the Grantee shall submit requests for payment based on the Grantee's estimate of expenditures, at intervals as determined by the Grantee to meet disbursement needs. Unless otherwise instructed by the Grantor, this estimate may not exceed the current disbursement needs of the Grantee in order that the amount of cash on hand and available to the Grantee is as close to daily needs as administratively feasible. The Grantor may, however, set a minimum payment level or amount for each request for payment.
- (b) Conditions for Payment:
 - (1) Grant payments under this Contract are conditioned upon the completion of any Special Conditions described in Appendix A or otherwise incorporated into this Contract.
 - (2) Costs allocated to program administration are limited to those described in the project budget or as otherwise revised in accordance with the amendment provisions of this Contract described in the Article entitled Amendments and Modifications.
 - (3) Payment by the Commonwealth and all other terms of this Contract are subject to the effect of any federal deficit reduction legislation upon the availability of funds awarded by this Contract.
- (c) The Grantee shall charge to the project account all approved costs of the project. All approved costs, including activities contributed by the Grantee or others and charged to the project account, must be supported by properly executed vouchers or other records indicating in proper detail the nature and propriety of the charge.
- (d) Requirement to Invest Grant Funds:

The funds paid to the Grantee in accordance with this Contract must be deposited by the Grantee in a bank or other financial institution in a separate and special expenditures account, to be maintained within its existing accounting system or set up independently; identifiable by reference to the Grantor, proposal name or contract number. The account must be insured by the FDIC.

Subject to applicable rules and regulations and to the provisions of this article, the funds must be continuously invested and reinvested and deposited and redeposited by the Grantee, in accordance with applicable state laws, with a view toward maximizing yield and minimizing the instances of uninvested funds.

Interest or any other income or accumulations earned on funds awarded pursuant to this Contract and totaling more than \$500.00 over the Contract Activity Period must be repaid to the Grantor by means of a check made payable to the Commonwealth of Pennsylvania and submitted simultaneously with the Grantee's Project Audit or Closeout Report.

(e) Conditions for Repayment of Grant Funds:

(1) Misuse or Failure to Use Funds.

- (A) The Grantee shall use the funds granted under this agreement, or as much as may be necessary, to carry out the project in accordance with the terms of this Contract. If after all or any part of the funds has been paid to the Grantee and the Grantee fails to carry out the activities, the Grantee shall repay the Grantor the funds previously paid.
- (B) If the Grantee does not use all or a portion of the funds paid under the terms of this Contract in accordance with this Contract, the Grantee shall be liable to the Grantor for the amount of funds unused or improperly used and shall return those funds to the Grantor.

In the event the Grantor is entitled to repayment of all or a portion of the funds granted under this agreement, the repayment must include all interest, income, accumulations and the monetary equivalent of any appreciation in value of any property (real, personal or mixed) purchased with the funds granted them. Repayment must be in the form and manner directed by the Grantor.

ARTICLE IV

BONDING, INSURANCE AND TAX LIABILITY REQUIREMENTS

(a) Fidelity Bonding:

Unless otherwise authorized by the Grantor, the Grantee shall procure fidelity bonding for anyone authorized to sign checks, certify vouchers and/or handle or control funds, checks, securities or property. If a check signing machine is used which is not operated under the direct supervision of the authorized signer or counter-signer, the machine operator must be bonded in the same amount as the check-signer. The amount of the bond required must be adequate to insure the security of all funds received under this Contract as determined by the Grantor and the bond must be maintained until the Contract is closed out by the Grantor.

(b) Liability Insurance:

The Grantee's standard liability insurance policies shall protect, or shall be endorsed to protect, the Commonwealth from claims of bodily injury and/or property damage arising out of any activities performed by the Grantee or its employees or agents under this Contract, including business and non-business invitees, and their property and all other property sustaining damage as a direct or indirect result of the execution of this project when validly present on Grantee's premises whether or not actually engaged in the project at the time the claim inures. The policies must not include any provision limiting then existing sovereign immunity of the Commonwealth or of its agents or employees. Upon request, the Grantee shall furnish to the Grantor proof of insurance as required by this paragraph.

(c) Other Liability Requirements:

The Grantee shall provide workers' compensation insurance where it is required and shall accept full responsibility for the payment of premiums for workers' compensation and social security and any other taxes or payroll deductions required by law for its employees who are performing activities specified by this Contract.

ARTICLE V

COMPLIANCE WITH APPLICABLE STATUTES AND REGULATIONS

All activities authorized by this Contract must be performed in accordance with applicable statutes, regulations, conditions, directives, guidelines and any additional requirements as may be attached as Appendix C or are otherwise provided by the Grantor. The Grantee acknowledges that this Contract is subject to all requirements described in this provision and further agrees that it will comply with future requirements determined by the Grantor as necessary.

(a) Compliance with State Statutes and Regulations:

The Grantee shall comply with all applicable state statutes and regulations.

(b) Commonwealth Standard Terms and Conditions:

(3) Nondiscrimination/Sexual Harassment.

(A) Representations. The Grantee represents that it is presently in compliance with and will remain in compliance with all applicable federal, state, and local laws, regulations, and policies relating to nondiscrimination and sexual harassment for the term of the agreement. The Grantee shall, upon request and within the time periods requested by the Commonwealth, furnish all necessary employment documents and records, including EEO-1 reports, and permit access to its books, records, and accounts by the Commonwealth for the purpose of ascertaining compliance with provisions of this Nondiscrimination/Sexual Harassment Clause.

(B) Nondiscrimination/Sexual Harassment Obligations. The Grantee shall not:

(i) in any manner discriminate in the hiring of any employee(s) for the performance of the activities required under this agreement or any subgrant agreement, contract, or subcontract, by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the Pennsylvania Human Relations Act ("PHRA") and applicable federal laws, against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.

- (ii) in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, against or intimidate any of its employees.
 - (iii) in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, in the provision of services under this agreement or any subgrant agreement, contract, or subcontract.
 - (iv) in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of PHRA and applicable federal laws, against any subgrantee, contractor, subcontractor, or supplier who is qualified to perform the work to which this agreement relates.
 - (v) in any manner discriminate against employees by reason of participation in or decision to refrain from participating in labor activities protected under the Public Employee Relations Act, Pennsylvania Labor Relations Act, or National Labor Relations Act, as applicable, and to the extent determined by entities charged with the Acts' enforcement and shall comply with any provision of law establishing organizations as employees' exclusive representatives.

For the entire period of this agreement, the Grantee shall: (1) post its written nondiscrimination and sexual harassment policy or these Nondiscrimination/Sexual Harassment provisions conspicuously in easily accessible and well-lighted places customarily frequented by employees at or near where the grant activities are performed; or (2) provide electronic notice of the policy or this clause to its employees not less than annually.
- (D) Notification of Violations. The Grantee's obligations pursuant to these provisions are ongoing from the effective date and through the termination date of the agreement. - (E) Cancellation or Termination of Agreement. The Commonwealth may cancel or terminate this agreement and all money due or to become due under this agreement may be forfeited for a violation of the terms and conditions of these Nondiscrimination/Sexual Harassment provisions. In addition, the granting agency may proceed with debarment or suspension and may place the Grantee in the Contractor Responsibility File.
- (F) Subgrant Agreements, Contracts, and Subcontracts. The Grantee shall include these Nondiscrimination/Sexual Harassment provisions in its subgrant agreements, contracts, and subcontracts with all subgrantees, contractors, and subcontractors providing goods or services under this agreement. The incorporation of these provisions in the Grantor's subgrants, contracts, or subcontracts does not create privity of contract between the Commonwealth and any subgrantee, contractor, or subcontractor, and no third-party beneficiaries are created by those provisions. If the Grantee becomes aware of a subgrantee's, contractor's, or subcontractor's violation of these provisions, the Grantee shall use its best efforts to ensure the subgrantee's, contractor's, or subcontractor's compliance with these provisions.

If the Grantee:

- (A) knowingly employs, or knowingly permits any of its subcontractors to knowingly employ, the labor services of an illegal alien on activities funded in whole or in part by grants or loans issued by an executive agency of the Commonwealth of Pennsylvania; and
- (B) the Grantee or any of its subcontractors are sentenced under Federal law for an offense involving knowing use of labor by an illegal alien on activities funded in whole or in part by grants or loans issued by an executive agency of the Commonwealth of Pennsylvania.

the Grantee shall:

- (A) repay to the Grantor all grant funds received by the Grantee from the Grantor pursuant to this Contract, and
- (B) be ineligible to apply for any Commonwealth grant or loan for a period of two years.

ARTICLE VI ASSIGNMENT, TRANSFER, COLLATERAL USE

This Contract is binding upon and inures to the benefit of the Grantor, the Grantee, and their respective successors and assigns, except that the Grantee shall not assign or transfer its rights under this agreement without the prior written consent of the Grantor. Approval of an assignment does not establish any legal relationship between the Commonwealth or the Grantor and any other third party, and under no circumstances will the Commonwealth be held liable for any act or omission committed pursuant to an assignment.

ARTICLE VII INDEPENDENT CONTRACTOR

Notwithstanding anything contained in this agreement to the contrary, the rights and duties granted to and assumed by the Grantee are those of an independent contractor only. Nothing contained in this agreement is construed as to create an employment, agency or partnership relationship between the Grantor and the Grantee.

ARTICLE VIII INTEREST OF PARTIES AND OTHERS

No officer, member, employee, independent contractor or elected official of the Commonwealth and no member of its governing body who exercises any functions or responsibilities in the review or approval of activities being performed under this Contract shall participate in any decision relating to this Contract which affects his/her personal interest or the interest of any corporation, partnership or association in which he/she is directly or indirectly interested. Nor shall any officer, member, elected official or employee of the Commonwealth or any member of its governing body have any interest direct or indirect in this Contract or the Contract proceeds.

The Grantee covenants that the Grantee (including directors, officers, members and employees of the Grantee) presently has no interest and shall not acquire any interest, directly or indirectly, which would conflict in any manner or degree with the performance of activities required to be performed under this Contract. The Grantee further covenants that no person having any such interest shall be employed in the performance of activities for this Contract.

The Grantee represents and warrants that no elected state official, any employee of the Grantor, immediate family member (parent, spouse, domestic partner, child, brother or sister, daughter-in-law or son-in-law, or grandchild) of elected state officials or Grantor's employees, or any entity in which any above listed person shall have an ownership interest of 5% or greater, or in which entity any above listed person will have a controlling interest, has received or will receive a direct or indirect pecuniary benefit from or as a result of the full execution of this Contract. Further, the Grantee represents and warrants that it has not

and will not enter any contract for goods or services with the persons enumerated above using any funds made available to Grantee under this Contract.

ARTICLE IX SUBCONTRACTS

The Grantee shall not execute or concur in any subcontract with any person or entity in any respect concerning the activities governed by this agreement without prior written approval of the Grantor. Prior written approval is not required for the purchase by the Grantee of articles, supplies, equipment and activities which are both necessary for and merely incidental to the performance of the work required under this Contract. The Grantee shall not execute or concur in any subcontract declared disapproved by the Grantor. A subcontractor will be automatically disapproved, without a declaration from the Grantor, if the subcontractor is currently or becomes suspended or debarred by the Commonwealth or the federal government. In any event, the Grantee shall be responsible for the quantity and quality of the performance of any of its subcontracts.

All subcontracts must contain provisions of nondiscrimination/sexual harassment as specified in the Article entitled Compliance with Applicable Statutes and Regulations, subsection (b)(3). In addition, all subcontracts involving the pass through of Contract funds to subrecipients must include the audit requirements contained in the Article entitled Contract Audit and Closeout Requirements. The Grantee shall ensure that all required audits of subcontractors are performed, and for resolving any findings contained in the audit reports. All costs deemed unallowable in the subcontract audit report are required to be returned to the Grantor, through the Grantee.

ARTICLE X BIDDING REQUIREMENTS

If the Grantee is a political subdivision or other entity for which open and competitive bidding procedures have been established by law, the Grantee shall comply with those procedures if they are applicable to the project being funded with the grant funds. Otherwise, the Grantee shall comply with open and competitive bidding procedures in awarding all grants, subgrants, contracts, subcontracts or other agreements in excess of \$10,000.00 for construction, reconstruction, demolition, alteration and repair, for acquisition of machinery and equipment, or for engagement of the services of a professional consultant, when the grants, subgrants, contracts, subcontracts or other agreements are funded in whole or at least 50% in part with funds made available under this Contract. Open and competitive bidding procedures require the Grantee to obtain a minimum of three arm's length bids from vendors capable of providing the goods and performing the services requested. Arm's length transactions occur when the parties to the transaction are not related to one another and each party is acting in its own self-interest. The Grantor may require the Grantee to submit proof of compliance with these procedures, and failure to provide proof to the satisfaction of the Grantor may result in termination of the Contract and repayment of all or a portion of the funds available under this Contract. Upon written request and for good cause shown, the Grantor may, at the

Grantor's sole discretion, permit the Grantee to use an alternative procedure for solicitation of bids not inconsistent with law.

ARTICLE XI RECORDS

The Grantee, using accepted procedures, shall maintain at its principal office or place of business complete and accurate records and accounts including documents, correspondence and other evidence pertaining to costs and expenses of this Contract, and reflecting all matters and activities covered by this Contract.

At any time during normal business hours and as often as the Grantor deems necessary, the Grantee shall make available for inspection by the Grantor, the Commonwealth Auditor General, the Commonwealth Attorney General, or the Comptroller General of the United States, or their duly authorized representative, all of its records with respect to all matters covered by this Contract and will permit the Grantor to audit, examine and make copies of the records.

All required records must be maintained by the Grantee for a period of five (5) years from the date of final audit or close out of this Contract by the Grantor, except in those cases where unresolved audit questions may require maintaining some or all records for a longer period. In that event, records must be maintained until all pending matters are resolved.

ARTICLE XII PROGRESS REPORTS

The Grantee and its subcontractors shall furnish to the Grantor progress reports in the form and quantity as the Grantor may from time to time require, including, but not limited to, status reports of the project, project account statements, certificates, approvals, proposed budgets, invoices, copies of all contracts executed and proposed, employment placements, follow-up reports and all other information relative to the Contract as may be requested. The Grantor or its representative shall have the right to make reasonable inspections to monitor the Grantee's performance under this Contract.

If the Grantor determines that the Grantee or its subcontractor(s) has not furnished the reports as required by the Grantor, the Grantor, by giving written notice to the Grantee, may suspend payments under this Contract until the required reports are submitted.

ARTICLE XIII ACKNOWLEDGMENT OF COMMONWEALTH ASSISTANCE

Any publication concerning a project financed by the Grantor will acknowledge Commonwealth financial assistance as follows:

"This Project was financed *[in part]* by a grant
from the Commonwealth of Pennsylvania,
[insert name of Grantor]."

Signs acknowledging the Commonwealth financial assistance or administrative participation will be erected in the project area as soon as possible after the effective date of this Contract. Acknowledgment of Commonwealth financial assistance may be combined with acknowledgment of other funding sources on project signs or in project publications.

ARTICLE XIV CONTRACT AUDIT AND CLOSEOUT REQUIREMENTS

This Contract is funded entirely with state funds. If the amount of the Contract is less than \$100,000.00 the Grantee is exempt from all audit requirements and should refer to the procedures issued by the Grantor for instructions on closeout of this Contract.

If the amount of the Contract is \$100,000.00 or more, a final audit of the entire Contract (Project Audit) is required by the Grantor within 180 days after the termination of project activities but no later than 180 days after the Contract termination date. This audit is the responsibility of the Grantee. Audits performed under the Single Audit Act of 1984 will not be accepted in lieu of a Project Audit required under this Contract.

The Project Audit must be performed by a certified public accountant. The Grantee shall secure a qualified auditor, however, the Grantor reserves the right of selection or prior approval of the independent auditor to perform the audit. The Project Audit must be a financial audit conducted in accordance with the provisions of the U.S. General Accounting Office's Government Auditing Standards, current revision, and contain all the requirements detailed in the Grantor's "Procedures for Closeout of Contracts." Unless otherwise authorized by the Grantor, the audit must include those funds received under this Contract as well as any required private match funds and encompass the entire Contract Activity Period. Other grant periods may also be specified at the discretion of the Grantor and the Grantor reserves the right to designate additional compliance factors for state financial assistance programs.

The Grantor shall determine any overpayment or underpayment and any additional auditing deemed necessary and inform the Grantee of the settlement amount.

If the final audit of the Contract, as accepted by the Grantor or any duly authorized representative, discloses that the full amount of the Contract was not required to complete

the project or that funds were improperly used, then the funds unused, improperly used or expended but not required to complete the project, must be repaid to the Grantor with interest unless otherwise directed in writing by the Grantor.

The Commonwealth reserves the right for state agencies or their authorized representative to perform additional audits of a financial or performance nature if deemed necessary. Any additional audit work must rely on work already performed by the Grantee's auditor, and the costs for any additional work performed by the state or federal agencies must be borne by those agencies at no additional expense to the Grantee.

All terms of this Contract will remain in effect and be binding upon the parties to this agreement until a final audit is submitted and accepted by the Grantor.

None of the above provisions under this article exempts the Grantee from maintaining records of state financial assistance programs or providing upon request, access to such records to the Grantor or its authorized representatives.

The submission of a Single Audit in accordance with the Single Audit Act and related Circulars does not exempt the Grantee from complying with all Project Audit and any closeout procedures as may be issued by the Grantor, including, but not limited to, the submission of a financial statement of the project after termination of project activities.

For additional information on audit and general closeout requirements, the Grantee should refer to the procedures for closeout of contracts issued by the Grantor.

ARTICLE XV TEMPORARY SUSPENSION OF THE CONTRACT

Upon written notice and at any time during the period covered under this Contract, the Grantor may suspend payments and request suspension of all or any part of the Contract activities. The Grantor may give notice to suspend for the following reasons:

- (a) Violations of laws and regulations, audit exceptions, misuse of funds, failure to submit required reports or when responsible public officials or private citizens make allegations of mismanagement, malfeasance or criminal activity.
- (b) When, in the opinion of the Grantor, the activities cannot be continued in a manner as to adequately fulfill the intent of statute or regulations due to act of God, strike or disaster.

During the term of suspension, the Grantor and Grantee shall retain and hold available all funds previously approved for application to the activities. During this period all such funds held by the Grantee must be placed in an interest bearing program expenditures account. The Grantee shall not expend any of the funds during the period that the Contract is suspended except pursuant to order of a court of competent jurisdiction. The Grantee shall have the right to cure any default or other circumstance that is the basis for suspension of this Contract within a reasonable period of time.

This Contract is also conditioned upon complete performance by the Grantee of past agreements or contracts between the Grantor and the Grantee. Complete performance includes the Grantee's timely submission of the required final audit of past agreements or contracts to the Grantor. If the Grantor determines that there has been incomplete performance of past agreements or contracts by the Grantee, the Grantor, by giving written notice to the Grantee, shall suspend payments under this Contract until the Grantee has fulfilled its obligations under past agreements or contracts to the satisfaction of the Grantor. When the Grantee has fulfilled its obligation under past agreements or contracts to the Grantor's satisfaction, the Grantor shall resume payments under this Contract.

ARTICLE XVI TERMINATION OF THE CONTRACT

The Grantor may terminate this Contract at any time for its convenience or for any other reason if it determines that termination is in its best interests, or is otherwise appropriate, by giving written notice to the Grantee of the termination and specifying the termination effective date. Termination pursuant to this section shall not be applicable to funds that the Grantee is legally or contractually obligated to pay as a result of project activities entered into prior to the date that it receives written notice of termination. All grant monies not legally or contractually obligated, plus accrued interest, must be returned to the Grantor on or before the effective date of termination and all project records must be made available to the Grantor.

ARTICLE XVII ENTIRE AGREEMENT

This Contract, when signed by all the parties to this agreement, constitutes the full and complete understanding and agreement of the parties of its express terms as provided above.

No provision of this Contract is construed in any manner so as to create any rights in third parties not party to this Contract. It is interpreted solely to define specific duties and responsibilities between the Grantor and the Grantee and does not provide any basis for claims of any other individual, partnership, corporation, organization or municipal entity.

ARTICLE XVIII AMENDMENTS AND MODIFICATIONS

A properly executed Contract amendment is required to change the termination date of this Contract, to change the Contract Activity Period, to amend the grant amount or to make major changes in the approved program scope, objectives or methods. An amendment must be executed if there is a significant change in the activities to be conducted under this Contract. Other revisions to the Project Description or Budget may be made upon written approval from the Grantor after prior written request of the Grantee; provided, the request is made by the Grantee and approved by the Grantor prior to the termination or expiration of the Contract.

ARTICLE XIX SEVERABILITY

Should any section or any part of any section of this Contract be rendered void, invalid or unenforceable by any court of law, for any reason, the determination will not render void, invalid, or unenforceable any other section or part of any section of this Contract.

ARTICLE XX CONSTRUCTION

All of the terms of this Contract are expressly intended to be construed as covenants as well as conditions. The parties intend this statement of their agreement to constitute the complete, exclusive, and fully integrated statement of their agreement. As such, it is the sole expression of their agreement, and they are not bound by any other agreements of whatsoever kind or nature. The parties also intend that this agreement may not be supplemented, explained, or interpreted by any evidence of trade usage or course of dealing. In entering this agreement, the parties did not rely upon oral or written statements or representations not contained within the document itself.

ARTICLE XXI NONWAIVER OF REMEDIES

No delay or failure on the part of the Grantor in exercising any right, power or privilege shall affect the right, power or privilege; nor shall any single or partial exercise thereof or any abandonment, waiver, or discontinuance of steps to enforce the right, power or privilege preclude any other or further exercise thereof, or the exercise of any other right, power or privilege. The rights and remedies of the Grantor are cumulative and concurrent and not exclusive of any rights or remedies which it might otherwise have. The Grantor shall have the right at all times to enforce the provisions of this Contract in accordance with the terms contained in the Contract regardless of any conduct or custom on the part of the Grantor in refraining from so doing at any time. The failure of the Grantor at any time to enforce its rights under this Contract, is not construed as having modified, waived, or created a custom in any way or manner contrary to specific provisions of this Contract.

Municipal Assistance Program (MAP) Grantee – Springfield Township (Bucks)

Springfield Township will use MAP funds to conduct four village studies and one corridor study. Springfield Township faces an acute need to sustain municipal services with limited financial resources. The village and corridor studies are intended to aid the Township in achieving fiscal sustainability.

The funds will be used to hire a consultant to complete the village and corridor studies, which will provide strategies for implementing recommendations of the 2024 Springfield Township Comprehensive Plan. Topics to be addressed include, but are not limited to housing, infrastructure needs, safety, quality of life, and business development. The consultant-led studies will analyze both appropriate locations for development and where to preserve natural resources and agricultural land.

Project Budget			
Cost item	MAP funds	Local MAP Match	Total
Professional Services/Consultants	50,000	50,000	100,000
TOTAL	50,000	50,000	100,000

DCED Governor's Center for Local Government Services staff will serve as a resource for this project and shall be kept apprised of completion of key steps in the implementation of this project.

Unless otherwise noted in the project budget, grantee shall provide funds for a minimum of 50% of total project costs. If total project costs at project completion are less than project budget, DCED and grantee payments shall remain proportional to approved budget unless otherwise changed by an approved contract modification or amendment.

The Single Application/Municipal Assistance Program grant application and all supporting documentation is hereby incorporated and made a part of the contract documents. Contracts funded with commonwealth funds totaling \$100,000 and over are required to have a Project Audit performed. The Project Audit must be done in accordance with the DCED Audit Guidelines. For contracts funded with commonwealth funds totaling less than \$100,000, a Grant Close-out Report (GCR) must be completed. Both the Audit Guidelines and GCR forms and instructions can be found at dced.pa.gov. All project activities and the project budget as identified above must be completed by the grantee by **June 30, 2027** unless otherwise authorized by DCED through the contract amendment process.

Project Planner – The grantee shall select a project planner for purposes of this contract. DCED reserves the right to approve the qualifications of the project planner selected by the grantee. DCED reserves the right to refuse approval of the proposed project planner for cause of previous substandard work. Unless otherwise permitted by DCED, the project planner shall have not less than four (4) years of professional planning work experience. This experience shall include primary responsibility, either as project director or sole professional staff, for a major planning project involving:

1. Developing and recommending to local governmental officials public policies and/or programs (which may pertain to any area of local governmental responsibility);
2. Analyzing the broad consequences (e.g., physical/environmental, social, economic/financial, administrative) or the specific actions or choices recommended;
3. Applying appropriate elements of the planning process (e.g., problem/opportunity definition, goal setting, generating alternate strategies, strategy choice, implementation, evaluation).

Coordination – The services performed under this contract, whether in house or subcontracted, shall be fully coordinated among the participating municipality's(ies') governing body(ies) and planning commission(s). Reports, maps or other documents prepared or completed under this contract shall be submitted for review and comment to the relevant county planning agency, to contiguous municipalities, and to the local school district(s) as required under the Pennsylvania Municipalities Planning Code (Act 247 of 1968 as amended).

Submission of Work Product

1. Prior to the final preparation of the reports, maps and other documents specified by this contract, the grantee shall provide copies of such reports, maps and other documents in preliminary or interim form to DCED for discussion, review and approval. The grantee shall forward an electronic copy of the completed and, if appropriate, adopted documents to DCED.
2. All reports, maps and other documents prepared or completed under this contract, other than documents prepared or completed exclusively for internal use within DCED or by the grantee, shall carry either the acknowledgement as cited in Article XIII (Acknowledgement of Commonwealth Assistance) or the name of the grantee and the following notation on the front cover or title page (or, in the case of maps, in the title block):

The preparation of this (report, map, document, etc.) was financed in part through a Municipal Assistance Program grant as administered by the Governor's Center for Local Government Services, Pennsylvania Department of Community and Economic Development.

Scope of Work

Springfield Township Village and Corridor Studies

Springfield Township will engage a consultant to prepare four village studies and one corridor study (“Studies”) for the Township. The project seeks to utilize the Township’s newly adopted implementable comprehensive plan, which recommended catalyzing the village centers and Route 309 corridor’s development potential, to guide a follow-up planning project. The outcomes of this project will be four village studies and one corridor study. These studies will include a three-year implementation strategy with identified partners, funding, and performance measures and outcomes (jobs, housing units, adaptive reuse projects completed, businesses started, etc.). This plan will accomplish tax base expansion by providing a guide for the Township to sustainably increase the tax base while preserving its rural character. Additionally, the study will identify innovative approaches to wastewater infrastructure to address development needs, including collaborating with surrounding municipalities.

An RFP for this project is estimated to be released in February 2025 and a consultant awarded in March or April 2025. The proposed project timeline is roughly thirteen (13) months.

The strategies developed from these studies shall follow principles and keys currently being promoted by the PA Department of Community and Economic Development.

Springfield Township (“Grantee”) shall select an experienced, qualified candidate and/or consulting firm to complete this Plan. DCED shall not be a party and shall not have any duties, obligations or liabilities arising from the contract between the Grantee and selected candidate and/or consulting firm. DCED shall; however, review the final selection of the Grantee, approve the final selection of the Grantee, and receive a copy of the agreement with the candidate and/or consulting firm and Grantee for this project.
