

HELP US FIND YOU!

EMERGENCY RESPONSE SIGNS:

Springtown Community Volunteer Fire Company has initiated the Emergency Response Sign System. This is a reflective sign that corresponds with your house number. It allows emergency services to quickly and easily locate your home. We urge everyone to participate.

6" x 18"

Signs can be displayed vertically or horizontally. Both sides are numbered. Signs should be posted on your property and easily visible from the road.

The cost is \$10.00 due at the time of pick up. Pre-ordered signs can be picked up at the Springtown Firehouse on the 4th Tuesday of every month at 7:00pm.

To order your sign today, fill out the following information and return this form to the firehouse:

Name: _____

Address: _____

Phone Number: _____

Numbers to be displayed on sign: _____

vertical or horizontal (circle one)

If special pickup arrangements are needed, or if you have any questions, contact Robert Cressman at: 610-346-7507
