**Subject:** [External] Re: Noncoal Surface Mines Information

Thanks, Keith.

Please utilize the attached list. If possible, it would be great to see reports from 2017 to present. Please let me know if you have any questions or need any additional information from me.

Best-  
Kyle

Kyle,  
Please send me the list of mines that we discussed this morning, and I'll reply with the information that you are requesting.

Thanks,
