

# A summer of adventure at your local library!

## Reading Logs

**Summer reading returns!** Grab your trusty reading log at your branch, or [download a printable version](#).

Every day you read for at least 10 minutes, color in one leaf on the front of the log. Bring your log back to the library throughout the summer. Every colored-in leaf gives you one vote for the kind of tree that will be planted at your branch.

The back of your reading log also has fun activities to keep you learning all summer long!

## Programs

**Come be amazed and inspired!** From magicians to musicians to science experts, each Summer Quest performer will take you on a journey you'll never forget.

Check your [branch's calendar](#) to see all the special performers coming to your library. Space is limited and available on a first come, first served basis.

Stop in every week for storytimes, life-sized outdoor games, Badge Squad programs and more summertime fun at your branch!

## Limited Edition Summer Quest Badges

Earn all 6 badges by doing challenges from the checklists available at your branch (or [print your own](#)) and by attending weekly Badge Squad programs at your branch.
