Speed display quotes were received from All Traffic Solutions. There is a large savings from being a member of Sourcewell, even better than CoStars. Those quotes were supplied to the Township Manager to be discussed with the BOS.

Speed Data was collected for Route 212 on the south side of Pleasant Valley. Speed Data will be collected throughout October for the north side of Pleasant Valley. Data will then be collected in Pleasant Valley in the 35mph zone. This will give the PD an overview of traffic flow in the area.

Officer Jacoby represented Springfield Township Police Department at the Palisades Football game on Friday night during their First Responders and Military Appreciation Night. This is an annual event where Palisades announces the local Police Departments, Fire Companies, EMS Companies, and area residents who represent each branch of the military. Included were: PA State Police, Springfield and Tincum Police Departments, Upper Bucks Regional EMS, Palisades Regional, Del-Val, and Upper Black Eddy Volunteer Fire Companies, Air Force, Army, Coast Guard, Marine Corps, and Navy.
